

SURICATA SAFARIS

DAY TRIP

From Arusha City to

*LAKE MANYARA NATIONAL PARK

We will depart from Arusha after breakfast and begin the drive to Lake Manyara National Park. The journey takes approximately two hours. **We will pass through the market town of Mto Wa Mbu Village along the way. This agricultural and fresh products market is a melting pot of local culture and a souvenir hunter's paradise.**

LAKE MANYARA NATIONAL PARK

After a brief stop at the village market, you'll enter Lake Manyara National Park. **The park is truly a photographer's playground and offers some of the best game viewing in the world.** You can expect to see many of Africa's most well-known animals, with the tree-climbing lions a particular treat. These proud predators lounge in acacia trees practically begging to be photographed.

Bird-watchers will find Lake Manyara is an absolute delight, with a huge variety of birds on display in the park. **Even the novice can expect to be amazed by large flamingo flocks, circling birds of prey, and the brightly colored lilac breasted roller.** You'll return to Arusha in the late afternoon.

Under the right conditions, it is also possible to take a guided canoe safari out on the lake. Consult your safari guide to see if this activity will be available for your visit.

You'll return to Arusha with a head full of memories and a camera full of unforgettable photos.
