

SURICATA SAFARIS

DAY TRIP

From Arusha City to

*NGORONGORO CRATER

We will depart from Arusha for the long and beautiful drive to Ngorongoro. **Along the way, we will pass bustling Maasai Villages, sweeping plains dotted with acacia, and occasionally we will see giraffes or wildebeests.**

ARUSHA CITY TO NGORONGORO CRATER

Upon arrival at the park, you'll sign in and then begin the winding descent into the caldera. The mist shrouded rainforests of the mountain are home to cape buffalo and baboon troupes, and the particularly lucky might even spot a grazing elephant or a shy leopard moving through the dense green undergrowth.

We will stop at the Ngorongoro viewing area for a **stunning view of the caldera's sheer scale**. The shadows of clouds dapple the caldera floor, and the keen-eyed might spot the great herds of wildebeest and zebra moving about below. **The sun glitters off the soda lakes and it all combines to make for a truly beautiful landscape.**

From here we will continue our descent into the caldera, where over 120 species of mammals go about their lives. The park is the best place in the northern circuit to see the black rhinoceros and the cape buffalo, but is home to the entirety of the Big Five. We'll also see large packs of hyenas as well as lesser-known predators such as jackals and serval cats. **Across five to six hours, you'll see the very best that Africa has to offer. In the late afternoon, with heads full of amazing memories, you'll return to Arusha.**

We Suricata Safaris **like to share our love for Tanzania with you.**
It is a privilege to advise you!
